This viewpoint is located approximately 4km southeast of Garve.

Travelling from Inverness on the A835 towards Ullapool, you will pass through Contin. Continue on the A835 towards Ullapool for approximately 4.5km. You will come to a small turning on your left signposted for the Tarvie Lochs Trout Fishery. Immediately after the turning the A835 starts to bend to the left and there is then a small pull-in on the right hand side of the road up against the armco barrier. Park here.

Now on foot, continue along the side of the A835 for approximately 200m. Just before the marker posts and the start of the armco barrier on the left hand side of the road, there is a tall conifer tree.

The camera location is on the opposite side of the road over the armco barrier 5m before the small trees.
