This viewpoint is located approximately 12km southwest of Achnasheen.

Travelling east on the A832 Achnasheen, continue for 16km at which point you will pass the entrance to Grudie Bridge Power Station on your left. Just past this the road starts to bend right and there is a layby on the right hand side of the road. Turn in here and park up. Now on foot, cross back over the A832 and up the track that is immediately opposite the lay-by.

From this point on it is strongly recommended that the user sources designated mapping for this walk. There are several websites detailing walks to the summit of An Coileachan.

The camera location is at the summit next to the stone cairn.
