This viewpoint is located approximately 16km north of Garve.

Travelling from Inverness on the A835 towards Ullapool, you will approach Garve. Just after Garve, stay on the A835 towards Ullapool as the road bends right at the junction for the A832 Gairloch. Continue for a further 12km on the A835 and you will arrive at Black Bridge. There is a small track heading off right just before the bridge. Turn right here and park up alongside the A835 (Do not drive up the narrow road as it is private). Now on foot, walk along the tarmac road for over 3km, until immediately before it crosses a bridge over the Abhainn Srath a' Bhathaich, just beyond a weir. Turn right off the road through a gate onto a rough track, running along the bottom edge of a plantation.

From this point on it is strongly recommended that the user sources designated mapping for this walk. There are several websites detailing walks to the summit of Meall à Ghrianain.

The camera location is just below the summit approximately 20m from the stone cairn as shown in the above photograph.
