Grid Reference: 206893 884371      Distance to nearest turbine: 33969m      AOD: 1059m

This viewpoint is located approximately 4km southwest of Dundonnell.

Park at the small lay-by on the side of the A832 next to the Mountain Rescue Centre at Dundonnell. Now on foot head back southeasterly along the A832 and after 75 metres, turn off right onto a path just before the pair of bungalows to pass behind them and up the hillside. The path, which is a little boggy in places, zig-zags to and fro as it climbs up onto the ridge of Meall Garbh.

From this point on it is strongly recommended that the user sources designated mapping for this walk. There are several websites detailing walks to the summit of An Teallach.

The camera location is at the 1062m trig-point.
