Dear Mr Aston

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)  
REGULATIONS 2017  
ELECTRICITY ACT 1989 SECTION 36: APPLICATION FOR THE PROPOSED KIRKAN WIND  
FARM WITHIN THE PLANNING AUTHORITY AREA OF THE HIGHLAND COUNCIL**

Thank you for consulting Scottish Forestry on the Supplementary Environmental Information (SEI) for the proposed Kirkan Wind Farm (proposed development).

Scottish Forestry (SF) is the Scottish Government agency responsible for policy, support and regulation of forestry sector in Scotland. As such SF comments on possible impact of development proposals on forests and woodlands.

The information provided in SEI (October 2019) doesn't change SF's position on the proposed development, stated in a letter dated 23<sup>rd</sup> of May 2019. SF's has no further comments to offer at this stage of the consultation process.

Please don't hesitate to contact me if you wish to discuss Scottish Forestry's response.

Kind regards
