4 November 2019

Dear Mark

**Please quote in any correspondence: DIO10043421**

**Site Name: Kirkan Wind Farm - Additional Information**

**Site Address: Approximately 5.8km NW Of Garve**

Thank you for consulting the Ministry of Defence (MOD) regarding the additional information for Kirkan Wind Farm, which was received by this office on 1st November 2019. The additional information relates to the hydrological and peat assessments as well as supplementary landscape assessments for the proposed development.

On reviewing the documents, relating to the submitted amendments, I can confirm that there are no material changes to either the location or the dimensions of the turbines as submitted in the Section 36, therefore the MOD has no objection.
