**Kirkan wind farm**

To Whom It May Concern:

I would like to register my support for the Kirkan wind farm proposal. I understand that the scheme will deliver low cost, low carbon energy, as well as significant benefits to the community and region from funding, investment and employment. For the sake of future generations, we must act now to deliver the renewable energy capacity that we desperately need to meet our climate change commitments.

Yours faithfully,

**Kirkan wind farm**

To Whom It May Concern:

I would like to register my support for the Kirkan wind farm proposal. I believe that it is vital to develop new schemes to deliver renewable energy, for the sake of future generations and also the beautiful Scottish environment. It is so important to act now as it's already becoming too late - Kirkan Windfarm can help us reach this goal.

Yours faithfully,
